

APPENDIX II (a)
HOST SCHOOL – ATTACHED SCHOOL AGREEMENTS
KEY INFORMATION

The purpose of Waikato Secondary Schools Sport Association [WSSSA] “Host School – Attached School” Agreement relationship between a “member” school and “other member” school is to cater for **School Sport NZ [SSNZ]** Clause. 1 Student Eligibility.

The intent of **WSSSA** Host School - Attached School Agreement is to consider requests which involve a participating School with a roll of fewer than 100 students. Principals should be aware these arrangements should not position the Host school into displacing one of their own students from play.

This agreement would be a precursor to students from attached schools’ involvement at North Island and NZ Secondary School events – the latter for which there are additional applications required. This is the host school responsibility.

For the **WSSSA**, alignment of students from an attached school to a host school is by agreement between Principals of the schools and there can be no variation to this agreement.

Students wishing to play in **WSSSA** sanctioned activity **may only play** for their **nominated Host School** & not another school [apart from their own if numbers permit].

Students from Attached Schools will be required to pay all fees and any other dues required by the Host School and abide by the sports policy & protocols of that school.

Completed and signed **HOST SCHOOL – ATTACHED SCHOOL AGREEMENT** forms must be submitted on the approved form **APPENDIX II(b)** to **WSSSA** at least **two weeks prior** to the commencement of any composite teams participating in a **WSSSA** sanctioned event

These agreements with WSSSA member schools or any variation of them need to be reconfirmed annually by heads of sport and signed off by Principals of both schools. **WSSSA** would advise **SSNZ** in support of any applications made by Host Schools to **SSNZ** and National Sports Bodies for Island or National events.

At an Island or National level, the ultimate sanction would, on the host school’s application, come from the National Sports Organisation via a recommendation from **SSNZ**.

Such requests need to be made to the **SSNZ** at least **2 months prior** to any **Island or National** event or qualifying event associated with these.

3. Students from the Attached School will play for the Host School in a team in a particular sport(s) throughout a season rather than for a certain event – i.e. they are registered and participate as a regular member of the team

5. Students from the Attached School will, unless a special application is made to the New Zealand Secondary Schools Sports Council [via WSSSA 2 months prior to an event], play for only the named Host School. This however, where numbers are viable, does not preclude students from the Attached School participating in Regional, Island or National events under their own school’s name – this may apply in particular to individual events.

6. If the Host School wishes to include students from the Attached School at National or Island competitions in any code, application must be made, on a code-by-code basis, to Schools Sport NZ [via WSSSA Executive Sport Director] **2 months prior to an event.**
