

WAIKATO SECONDARY SCHOOL SKI & SNOWBOARD COMPETITION 2020

Friday 21 August 2020 at Turoa Ski Field

(Back Up Friday 28 August)

Kia ora,

I regret to inform you that there will be no Waikato Secondary School Ski & Snowboard competition in 2020. (See below)

Message from Ruapehu Alpine Lifts Ltd

Even though our event's team are in the country and we have all the resources to deliver events it comes down to budget and longevity for RAL. It is with a heavy heart that we have had to make the decision to not run any events at Mt Ruapehu this winter and just focus on general skiing and boarding offerings for our customers. This means RAL, Club or other organisation's such as yourselves will not be operating or running any events this year at Whakapapa or Turoa.

The positive from this unprecedented time in history is that like most we have had to adjust to lockdown life, social distancing and remote working which has made many individuals change their outlook on life. This winter for us is about just getting out there and enjoying the snow. Like most pro-athletes that take the odd year off from competing this is what winter 2020 will be for us at Ruapehu.

Best regards
Jono
