

**Thames Valley Secondary School Show Jumping
Wednesday 24 February 2021**

Team Notice No.1:

1. H&S risk and Management Plan attached. Team Managers please sign this at the clubrooms before 10am start.
2. Roster for poles and gate duties will be sent out. Please help out, this will free up our Thames PC Members for other duties on the day as we are a small team. Gate people, please be ready to start 10am sharp.
3. Parking – we are usually at maximum for entries, it will be a squeeze! Can we please ask where possible that teams car pool ponies and horses and travel together, just to help reduce the number of vehicles we need to fit in the carpark area.
4. Gates open 8:30am
5. Tip and out – we will run of time allows, don't forget your \$2 and enter on the day at the clubrooms
6. Classes –riders can enter any three classes in either ring eg 65, 75 and 80cm. Riders just need to note they will ride their classes in the order of each ring (the 55cm and the 80cm will start at 10am), so will likely ride their classes out of height order if they choose to do this.
7. Draft riders - riders may enter additional horses as draft for composite teams but can only ride for their school once on one horse/pony.
8. Trophies – Does anyone know anything about the history or whereabouts of the Chubb Challenge trophy? If so please contact Janet 0210 245 3039.

**SAUASAGE SIZZLE AND DRINKS WILL BE AVAILABLE AT THE CLUB
ROOMS**
