

Congratulations on qualifying for the:

North Island Secondary Schools Athletics Championships
Porritt Stadium
Hamilton
10- 11 April 2021

Due to the large size of the WAI/BOP team it is the responsibility of the individual athletes to arrange their own transport and accommodation to attend this event.

Entries

Athletes must complete the online registration should you wish to compete, it is **NOT** the responsibility of schools to do this. Selectors will then complete the official entry process using the information provided by the athletes. Top three finishers from today's championships automatically qualify. Fourth place getters are considered based on meeting qualifying standards (these can be found at www.nzssaa.org.nz).

Team Management

The team management will be finalized before the event and they will be on duty throughout each day to assist team members to prepare for their events. At this stage the team managers are:

Boys manager	Brad Smith	Tauranga Boys' College
Girls manager	Sonia Waddell	St Peter's School Cambridge

The team managers will be situated by a yellow Athletics Waikato Bay of Plenty banner. Please report to the team management when you arrive at the track as it enables them to pass on any instructions about the meeting. The team managers are also the people to purchase or hire the team singlet from.

Uniforms:

Please provide your own **BLACK** shorts. A WAI/BOP singlet will be available to purchase or hire from team managers at the venue throughout the two-day meeting at a cost of \$50.00

Please bring the correct amount (\$50) in notes as there is no eftpos facility.

Singlets can be retained or returned. If returned \$40 will be refunded to you. The \$10 hireage fee covers laundry and replacements. A limited number of crop tops will also be available.

Event information

Information such as instructions to competitors and an order of events can be found at the following address on the New Secondary Schools Athletic Association website under North Island Secondary Schools (NISS):

<http://nzssaa.org.nz/>

The instructions to competitor's information is quite important as it includes information about:

- reporting into officials before the event,
- starting,
- warm up,
- personal equipment, and
- qualification for finals

Good luck to all that compete and represent the region at the NISS Track and Field Championships
