Teams Entry Form and Competition Details

The 2021 Waikato Interschool Table Tennis Competition will be run as two independent competitions; a Term 2 competition and a Term 3 competition.

The **term 3 competition begins on Friday the 6th of August 2021**, and will run for 7 weeks, including finals.

Schools can enter a team in both the term 2 and 3 competition however they will need to pay the fee for both terms for that team, eg \$240+GST, see below.

Any player entered in either of the competitions (Term 2 or Term 3), is eligible to play in the **Individual (Singles) School Championships that will be held on Friday the 24th of September 2021**.

In team's events there are some individuals/schools that will be invited to play in higher age division-this is at discretion of WTTA. The singles Championship is year (age) restricted. Eg any intermediate age player is only eligible to contest the intermediate singles title and not compete in the secondary singles division.

Please enter the names of team members on the form below. There is no limit to the number of teams a school can enter. A team can be comprised of players of any gender combination (all girls, all boys or mixed teams).

Three players compete each week. Teams may have a fourth or fifth player named either as a reserve, or to use on a rotation basis week-to-week. It is the school's responsibility to ensure which three players are present to compete each week.

Please ensure that players wear appropriate sports gear and wear shoes with non-marking soles.
