

JOB DESCRIPTIONS

Chief of Race Malcolm Haig Cell 021 475 445
Appointed by the Waikato Ski & Board Comp Organiser, the Chief of Race is the overall Boss of all race activities.
Allocates all other course assistant jobs
Liaises with Ski Field staff
Makes any decisions regarding postponement or cancellations
In radio contact with all Chiefs of Courses and Results Coordinator

Chief of Course (responsible to the Chief of Race)

Slope Style Deane Hishon Cell 021 350 325

Banked Slalom Kyle Jakeways Cell 027 481 0660

Must be a person with good technical knowledge as well as a good understanding of the race rules and race course requirements.
Responsible for preparation of the course and the condition of the course during the race ensure that race proceeds with a minimum of delays
Has the power to disqualify.

Starter (responsible to the Chief of Course)

Is responsible for the correct and efficient starting of racers
Is in radio contact with the Finish Referee and Chief of Gates
Identifies the Racers to the Finish Referee by reporting the Bib number
When informed by the Finish Referee that they are ready for the next race, he alerts the racers and gives them a count down
Racer Ready? Aaaaaaa, "UP", (broadcast over the radio.) Because we are hand timing.
Calls "False Starts" by using the whistle

Start Marshalls (responsible to the Starter)

Responsible for arranging racers in the correct starting order
Check that the competitor is wearing the correct bib number
Ensuring the start area is kept clear of extra people
Assist the Starter

Chief of Gates (responsible to Chief of Course)

Responsible for organising and controlling sufficient gatekeepers
Overall responsibility for ongoing course maintenance (Performed by RAL Event Staff)
Communicates information to the finish referee and starter by radio ie racer missing gate, interference etc

Gatekeepers (responsible to Chief of Gates)

Responsible for judging the passage of each racer through the gates under their control and deciding whether the passage was correct or not. If in doubt the advantage must go with the racer.

Communicate information up the course ie missed gate

Course not clear HOLD POLE/ARM IN AIR

Ensure that all personnel (spectators, racers etc) keep a distance away from the course so they are not disturbing the racer on the course

If the racer is disturbed on their run and requests the opportunity to race again, the Gatekeeper must note the reason why.

(THE ONLY CAUSE FOR A RERUN WILL BE DIRECT INTERFERENCE RESULTING IN THE RACER BEING UNABLE TO COMPLETE THEIR RUN).

The racer must leave the course at the point of interference and not complete the remainder of the course

If a gate is missed the racer must immediately climb back to the gate. Both ankles must go above the level of the gate missed before continuing

Course Maintenance (responsible to Chief of Gates) EVENT CREW

Responsible for repairing the section of the course under their control

Slip around gates and smooth ruts when necessary

Replace any broken poles and ensure debris is cleared so it is of no danger to racers or spectators
