Hosting Waikato Thames Yachting Assn

Burgess Trophy

Te Kopua Beach Raglan Harbour

24th March 2023

Welcome to the Burgess Trophy.

Hosting this event at Te Kopua Beach should offer a fresh experience for our region's youth. As we have experienced, sailing on Waikato Lakes through summer, generally the breeze is generated from off the west coast and progressively encroaches inland.

Sailing off Te Kopua Beach gives us the first opportunity to capture the days sea breeze.

The downside of Re Locating to Raglan is the logistics and cost.

Ngaroto Sailing Club's base is Lake Ngaroto, hosting the regatta there would have the same probable sailing conditions as has previously experienced.

To cover these costs equably, entry is a flat all participant charge.

The sailing area will be defined by marker buoys so as the main Raglan Harbour Channel is excluded from the sailing area.

Sailing is scheduled to be mainly 2 hours either side of high tide to maximise water depth and minimise current.
