EQUIPMENT		
Relay BATONS	Provided	
Food	Cambridge High School	6 people
Radios	TBA	
IMPLEMENTS **	Please remember to ensure the equipment you require for your event is set up before the start eg wind gauges, tape measures, rakes, brooms, clipboards. The Gear Steward of Athletics WBOP will help with equipment distribution on the day.	

If you have a disabled athlete, make sure you bring the correct weighted equipment for them if it is different from the able athletes' equipment weight.

These numbers are a minimum guide – please feel free to bring extra help along so more regular breaks can be taken and there are extra hands for helping your team out – remember it is a long day in the sun.

We will provide you with our 'how to guide' for your event but make sure people who are on field events have had some experience.
