

Waikato Ski & Snowboard Competition 2024
Friday 23 August 2024
Turoa Ski Field

Kia ora,

It is with great disappointment that we have to cancel the Waikato Secondary Schools Ski & Snowboard Competition for what is now the fifth successive year.

Both Pure Turoa and our organizing team have been holding off, hoping for snow and modifying what options we had available in an effort to offer an acceptable competition. This recent warm weather and rain lessened what suitable racing areas would be available, including limited features available for a Freestyle Jam.

With regards to money paid and refunds, the \$10 Team Fee is non refundable and covers all the fixed costs of the event. Clearly, with lower entry levels, the Team Fee is unlikely to cover costs, but we will cover any deficit through to 2025. You will receive a full refund for all competitor entry fees and lift passes.

On a positive note, with skifield ownership sorted, we have already had some planning with Pure Turoa regarding next year's competition: Friday 15 August 2025 with bad weather back up date, Friday 22 August 2025.
